- Blue/black fruits, menthol, licorice and asphalt all jump from the glass in the 2010 Cabernet Sauvignon Knighton Family Vineyards Reserve. Powerful and structured, the 2010 is distinctive and superb today. The massive tannins are going to need a few years to soften, but all of the elements are in the right place. This is a fabulous showing from Knighton. The 2010 is 98% Cabernet Sauvignon and 2% Petit Verdot.
